

Glass Coffee Pot+ Months-old Coffee Beans + Tap Water =  
Bitter, Stale, Overcooked Coffee

Latest Brewer + Premium Beans + Clarus Pure Water =  
Coffee You'll Want To Drink

You do the math.

We know that better brewers, better beans and better water make better coffee - and better coffee doesn't have to be expensive. We provide solutions for workplaces from 3-3,000 employees. **Let us come to your office and you can try a cup, on us.**
